

GOVERNMENT OF BERMUDA  
Ministry of Public Works  
Department of Works & Engineering

Concrete Floor Protection to  
Fort Victoria Tank

**Addendum Two**

---

**DATE: 12<sup>th</sup> February 2024**

**PROJECT NAME & NO.: 50/820/23-FV GF Tank Floor Protection**

**POSTED ON [www.gov.bm/procurement-notice](http://www.gov.bm/procurement-notice)**

---

This Addendum forms part of the RFQ documents and will be subject to all of the conditions set out in the contract conditions. This Addendum Two contains (one) page.

**Addendum Two**

This addendum provides information arising from discussion at the site meeting held 12<sup>th</sup> February 2024.

1. The services made available to the contractor at the site consist of:
  - a. Electrical power 120v 60 hz
  - b. ¾” water supply delivering Reverse Osmosis water that contains a chlorine residual of up to 1ppm
2. The roof is not water tight and some form of covering will be required during the placement of the Basecrete.
3. As per the Basecrete specification Basecrete mesh is to be used for the edge fillet.
4. A different color basecrete shall be used for each layer to ensure continuity of coverage.

Respondents are requested to acknowledge receipt of this Addendum (One) by emailing
